

ARYA RESOURCES LTD. (TSX-V: RBZ) Announces Start of a Drill Program on Dunlop Nickel Copper Project in Saskatchewan, Canada

December 05, 2023 - Vancouver, BC, Canada - **Arya Resources Ltd. (TSX-V: RBZ)** (“Arya” or the “Company”) is pleased to announce the start of a drill program on its Dunlop Nickel-Copper Project in Saskatchewan, Canada.

Drill crews are being mobilized and the drilling to start on or about December 06, 2023. The drill program is to test Nickel-Copper targets identified by the company’s technical team. Arya’s technical team identified drill targets with the help of industry specific software(s). The project is accessible via a provincial highway and powerline runs near the project site.

The company has received all the necessary permits for an exploration program including drilling on its Dunlop Nickel-Copper and Wedge Lake Gold projects in Saskatchewan.

This news release has been reviewed by Kevin Wells, P.Geo., who is acting as QP for this project under the NI 43-101 requirements.

About the Company
